Mr. Don Bryan  
President  
Tradewinds Forest Products, LLC  
P.O. Box 43  
O'okala, Hawaii 96774

Dear Mr. Bryan:

**Subject: Revised Application for an Initial Covered Source Permit  
O'okala Veneer Mill and Cogeneration Plant  
Veneer Dryer and Boiler  
Located at: O'okala along the Hamakua Coast, Island of Hawaii**

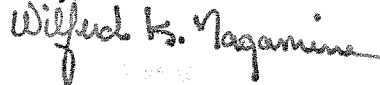

The Department of Health (Department) acknowledges receipt of the subject application on November 14, 2006 which replaces and supersedes the initial application received on June 1, 2006.

The Department has completed the initial review of your revised covered source permit application and has determined it to be complete. However, the Department requests that the estimated amount of fugitive dust emissions from vehicle travel on unpaved roads be provided.

Please note that pursuant to Chapter 11-60.1, during the processing of an application that is deemed complete, if it is determined that additional information is necessary to evaluate or to take final action on the application, the Department may request such additional information.

If you have any questions, please call Ms. April Matsumura of my staff at (808) 586-4200.

Sincerely,

WILFRED K. NAGAMINE  
Manager, Clean Air Branch
